Inalhamdulillah Wassalatu Wassalamu A'la Rasulillah Peace and blessings to our beloved Messenger of Allah, Prophet Muhammah SAW who has brought us light.

All praises only to Allah SAW the Most Gracious and Most Merciful, for it is only by His taufid and hidayah that we are able to see our graduating students living our nest. To our beloved young brother and sisters, we hope we have delivered our amanah in preparing you for the challenges in life beyond IISSA and the ultimate life in the hereafter.

The key factor for life success is KNOWLEDGE. According to our beloved Prophet Muhammad SAW "To succeed in this world one must have knowledge; and to succeed in the hereafter, one must have knowledge, and to succeed in both this world and hereafter one must also have the knowledge". To the Muslim ummah belonged to the greatest source of knowledge—the al-Quran and as-Sunnah. Therefore it is imperative that every Muslim should make every effort to ENGRAVE the al-Quran and as-Sunnah in our hearts and most importantly to LIVE according to the ways defined in the al-Quran and as-Sunnah. This will shape our worldview and guide us to obey Allah SAW, and implement His Law and be blessed with His rahmah inshaAllah. Do your utmost best in the service of Allah SAW, for this path to Allah SAW is indeed the most rewarding and glorious.

So go for it and leave your mark in this world, for dunia is your means to akhirat. Let our Beloved Prophet SAW be the centre of our lives and in the core of our hearts and let his exemplary character be the architect to shape ours inshaAllah.

Surah Al-Imran 31: Say, If you love Allah, then follow me, so that Allah will love you and He will forgive your faults, and Allah is Forgiving, Merciful.

May Allah SWT, continue to shower His blessings and guidance upon you and accept all our efforts as ibadah, because when Allah is pleased with us, that is the ultimate success insyaAllah. Ameen.

With Love,
Your Brothers and Sisters,
Board Of Governers,
Integrated Islamic School Shah Alam

In the name of Allah, the Most Gracious, the Most Merciful.

These words we dedicate to our children who hold the future in their hands, a future that shines bright with the "NUR" of Iman and Tagwa in their hearts.

O Allah, bear witness that we have fulfilled our covenant to You that we have reminded and prepared our children to be your khalifah on this earth and the inheritors of Paradise. Gaze upon them with love and compassion, guide them always with Your Grace and let them not stray from the Path and burden them not with more than what they can bear.

O our children, remember the ni'mah that Allah had bestowed upon you. Be steadfast in you promise (amanah) to Allah, be among the righteous (muttaqin) that walk on this Earth with humility and dignity, and be truthful (sidq) in your deeds. Fulfil your promises to Allah and the Ummah and seek not the pleasure, of Allah is absolute and eternal.

Therefore, our children, spread the Message of truth in yourselves and your Deeds wherever you may be not alone but in jamaah because the loner will be the prey for the 'wolves'. Be 'ikhlas' at all times and not 'riak' and 'takabbur' (showing off your achievements). Pursue knowledge and not a degree, gather wisdom and not wealth and remember your accountability to Allah and not the position that becomes the envy of men.

These are the parting words penned down from the bottom of our hearts. The few wonderful years with you have given us a lifetime of memories that we will cherish forever. Remember us in your do'a Rabitah and may Allah forge our hearts with the fire of ukhuwwah, da'wah and jihad.

Ameen Ya Rabb

Bro (Dr.) Hj. Hasni bin Mohammed

These words we dedicated to our children who hold the future in their hands, a future that shines bright with the "NUR" of Iman and Taqwa in their hearts.

BE YOURSELF : A MUTTAOIN

This is the best, a balanced person guided by Allah i.e. A Muttaqin Don't take away from your uniqueness by trying to change it Being yourself as Muttaqin leads to success (in this world and the hereafter)

Being a Muttaqin you will not be led to a failure
Use your time and energy given by Allah s.w.t
To build yourself up
Not tear yourself down

MY CHILDREN : BE YOURSELF

Care about and nurture the feelings of Ukhuwwah of those closest to you

(mother, father, teachers and other brothers and sisters in ISLAM)

But don't allow others to tell you

How to think, feel be or live

Only you have the right to choose based on Al-Quran and As-Sunnah

To make important decisions in life

As we know, life is a journey and not a destination

And make provisions in life for yourselves

But the best of all provisions is TAQWA

MY CHILDREN : USE HIKMAH

Convey the message of truth: Spread the Deenul Islam with Hikmah
If others reject you don't be hard on yourself
Their rejection has nothing to do
With who you are but who they are

MY CHILDREN : BE IKHLAS

Be IKHLAS because if you aren't IKHLAS
It will be impossible for you to feel good about yourself and
For others to feel good about you
Self-respect begins with IKHLAS and honesty
The respect of others comes
As a result of your own respect for yourself

MY CHILDREN : BE YOURSELF

Accept yourself as being imperfect

But not unlovable

You have to be firm and kind

For your strengths far exceed any weaknesses

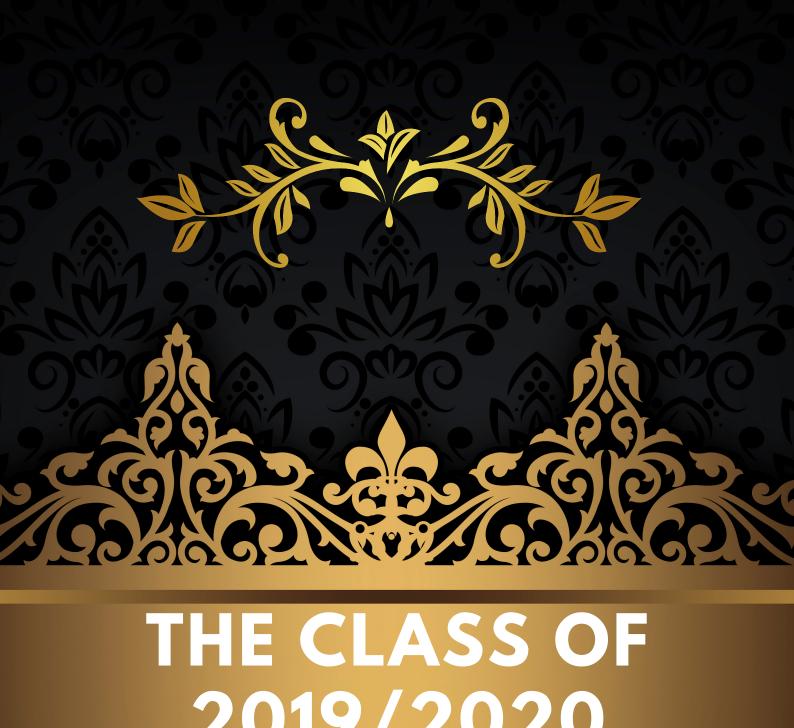

Embrace the goodness in you for the sake of Allah s.w.t

MY CHILDREN: REMEMBER THIS

You are a part of the universe
Not by accident, but by design
You have a special place and purpose as Khalifah of Allah
Trust Allah s.w.t your Creator and Sustainer of the universe
With your name on it
Claim that stars and let it shine
For you ...
For others ...

For a world whose survival depends on this light, Nur of Allah Let it shine

It was related on the authority of Abu Hurairah (r.a.), that the Prophet s.a.w. said :

"Whosoever follows a path to seek knowledge therein, Allah will make easy for him a path to Paradise. No people gather together in one of the houses of Allah, reciting the Book of Allah and studying it Among themselves, except that tranquillity descends upon them, mercy covers them, the angels surround them, and Allah makes mention of them amongst those who are in His presence. Whosoever is slowed down by his deed will not be hastened forward by his lineage."
